Education

Massachusetts College of Art and Design Boston, MA | 2014 – 2019 BFA in Graphic Design

Experience

Untitled Worldwide, LLC — Graphic Design Intern New York City, NY | Summer 2019

Designed print elements that were put into production for restaurant client Silver Lining Diner, including all menus, children's placemats, and restroom signage. Designed a brand guidelines book for the diner. Assisted in the creation of pitch decks and strategy presentations for clients including IBM and Spotify. Helped with competitor research and brainstorming branding solutions for clients such as LG, Artistry, and PwC. Worked on color palettes for Spotify and American Society for Aesthetic Plastic Surgery.

Massachusetts College of Art and Design — Exhibition Design Intern Boston, MA | March 2019 – April 2019

For an annual school writing exhibition, *Why I Write, Why I Create*, 25 essays were formatted into posters according to design guidelines. A unique promotional poster was designed for the opening.

Trader Joe's — Store Artist Needham & Brookline, MA | March 2018 – Present

Tasked with creating in-store signage, from concept to execution, using hand lettering and original illustration. Expected to produce signs to drive customer enthusiasm and knowledge towards specific products, increase sales, and assist in store communication and wayfinding.

Starbucks — Barista, Barista Trainer Boston, MA | 2015 – 2018

Worked with a close-knit team to create a superior customer experience in alignment with brand standards. Hand-lettered promotional chalk marker signs and menu boards.

Freelance — Graphic Designer Boston, MA | 2010 – Present

Completed projects including logo design, album art, banner ads for social media, and apparel design. Past clients include Adira LLC, Tix Go, The Hooded Crow coffee roasters, Caribbean Integration Community Development of Boston, and local musicians.
